RE: APPLICATION FOR ATTACHMENT OPPORTUNITY

Dear Sir/Madam,

I am writing to express my keen interest in an attachment opportunity at the Kenya Revenue Authority. I am a third-year student pursuing a Bachelor of Science in Computer Science at Dedan Kimathi University of Technology (DeKUT), and attachment is a crucial part of my academic curriculum.

I am drawn to KRA's commitment to modernization through technology, and I am confident that an attachment in your Information Technology department would provide me with valuable practical experience. My coursework has provided me with a strong foundation in programming, database management, and network administration, which I believe would be a great asset to your team.

I am a highly motivated, fast-learning, and disciplined person, ready to apply my theoretical knowledge in a professional environment. I am available for the attachment beginning January 2026 and I am eager to contribute to your organization's mission and vision.

My academic transcript and curriculum vitae have been attached for your review. I look forward to hearing from you.

Yours faithfully,

Charles Itatu Mbutu
